UKE TAB BY *RUTH B*

[Intro]
C Em G D (x2)

[Verse 1]
```
  C                    Em      G     D
Maybe it's the way you say my name
  C                    Em         G    D
Maybe it's the way you play your game
              C                Em              G       D
But it's so good, I've never known anybody like you
              C                Em                  G       D
But it's so good, I've never dreamed of nobody like you
```

[Pre-Chorus]
```
      C                        Em               G    D
And I've heard of a love that comes once in a lifetime
      C                        Em            G  D
And I'm pretty sure that you are that love of mine
```

[Chorus]
```
        C                 Em
'Cause I'm in a field of dandelions
   G               D               C  Em  G D
Wishing on every one that you'd be mine, mine
    C             Em
And I see forever in your eyes
G                D         C  Em   G D
I feel okay when I see you smile, smile
```

[Post-Chorus]
