MULAN - I'LL MAKE A MAN OUT OF YOU

UKE TAB BY *THEMES*

```
Em      D      G
Let´s get down to business
       Am      D
to defeat the Huns!
Em        D       G
Did they send me daughters
        Am      D
when i asked for sons?

        C             D
You´re the saddest bunch i ever met
               G              Am
and you can bet before we're through
C                D           Em   D   Em
mister, I´ll make a man out of you!

Em      D      G
tranquil as a forest
        Am    D
but a fire within
Em         D      G
once you find your center
         Am      D
you are sure to win

            C              D
you´re a spineless pale pathetic lot
        G              Am
and you haven´t got a clue
         C        D          Em   D   Em
somehow i´ll make a man out of you

 C                D
i´m never gonna catch my breath
B7                        Em
 say goodbye to those who knew me
C                        D            Em
 boy was i a fool in school for cutting gym
C                       D
  this guys got ´em scared to death
B7                              Em
  hope he doesn´t see right through me
C                   D                   Em
  now i really wish that i knew how to swim

           C              D       B7      Em
(Be a man!) we must be swift as a coursing river
             C            D       B7      Em
```

(Be a man!) with all the force of a great typhoon
C D B7 Em
(Be a man!)with all the strength as a raging fire
C D Em
mysterious as the dark side of the moon

Em D G
Time is racing t´ward us
Am D
till the huns arrive
Em D G
heed my every order
Am D
and you might survive

C D
you´re not suited for the rage of war
G Am
so pack up go home your through
C D Em D Em
how could i make a man out of you

C D B7 Em
(Be a man!) we must be swift as a coursing river
C D B7 Em
(Be a man!) with all the force of a great typhoon
C D B7 Em
(Be a man!) with all the strength of a raging fire
C D Em
mysterious as the dark side of the moon
