Going out tonight
Changes into something red

Em **G**
Everything she never had she's showing off

[Verse 2]
C
Driving too fast
Moon is breaking through her hair
Am
She's heading for something that she won't forget
Em **G**
Having no regrets is all that she really wants

[Chorus]
F **G**
We're only getting older, baby
F **G**
And I been thinking about it lately
F **G**
Does it ever drive you crazy
C **G** **Am**
Just how fast the night changes?
F **G**
Everything that you've ever dreamed of
F **G**
Disappearing when you wake up
F **G**
But there's nothing to be afraid of
C **G** **Am**
Even when the night changes
F **G** **C**
It will never change me and you

[Verse 3]

Chasing it tonight,
Doubts are running 'round her head

He's waiting, hides behind a cigarette

Heart is beating loud, and she doesn't want it to stop

Moving too fast
Moon is lighting up her skin

She's falling, doesn't even know it yet

Having no regrets is all that she really wants

We're only getting older, baby
F **G**
And I been thinking about it lately

Does it ever drive you crazy
