ALL OF ME

UKE TAB BY *JOHN LEGEND*

```
Em           C                        G
What would I do without your smart mouth
            D                   Em
Drawing me in, and kicking me out
          C            G               D          Em
Got my head spinning, no kidding, I cant pin you down
            C                      G
Whats going on in that beautiful mind
              D             Em
Im on your magical mystery ride
        C              G                       D         Am
And Im so dizzy, dont know what hit me, but Ill be alright

[Bridge] (Am, Em, D)
Am              Em
My heads under water
    D             Am
But Im breathing fine
                Em             D
Youre crazy and Im out of my mind

[Chorus] (G, Em, Am, D)
       G
Cause all of me
       Em
Loves all of you
            Am
Love your curves and all your edges
           D
All your perfect imperfections
           G
Give your all to me
            Em
Ill give my all to you
         Am
Youre my end and my beginning
      D
Even when I lose Im winning
                  Em   C      G
Cause I give you all, all of me
                 Em   C      G    D
And you give me all, all of you, oh

[Verse] (Em, C, G, D)
Em              C                  G
How many times do I have to tell you
                  D                       Em
Even when youre crying you're beautiful too
```

```
              C           G         D                   Em
The world is beating you down, Im around through every move
            C               G
Youre my downfall, youre my muse
             D                          Em
My worst distraction, my rhythm and blues
               C            G        D            Am
I cant stop singing, its ringing, in my head for you

[Bridge]

[Chorus]

[Bridge Change]
Am            Em
Cards on the table
       D             Am
Were both showing hearts
Am          Em               D
Risking it all, though its hard

[Chorus]
                  Em   C      G
Cause I give you all, all of me
                 Em   C      G    D
And you give me all, all of you, oh
