LEAVE IT ALL TO ME

UKE TAB BY *MIRANDA COSGROVE*

```
.                          C          F
# verse strumming pattern DDU UDU DD|U UDU|

VERSE:
C           F
 I know you see
C                              F
Somehow the world will change for me
C                F
And be so wonderful

C           F
Live life, breathe air
C                              F
I know somehow we're gonna get there
C                F
And feel so wonderful

PRECHORUS:
C        F        C          Am
I will make you change your mind
C             F     C        Am
These things happen all the time
Bb               Bb
And it's all real
Bb–MUTE
.          I'm telling you just how I feel

CHORUS:
    F             G            C      Am               F
So wake up the members of my nation, it's your time to be
             G                C            Am          F
There's no chance unless you take one and the time to see
               Fm       C       D       Bb             Bb
The brighter side of every situation, some things are meant to be
          Bb                Bb              C
So give me your best and leave the rest to me

VERSE:
–C           F
I know it's time
C                               F
To raise the hand that draws the line
C               F
And be so wonderful
```

C **F**
Golden sunshine
C **F**
I know somehow it's gonna be mine
