UKE TAB BY *MUMFORD AND SONS*

#CAPO 1

#The **Em**' chord could be played like this:

**Am Em C**
**F C G**

**Am Em C**
**F C G**

**C**
I came home
**F**
Like a stone
**C G**
And I fell heavy into your arms

**C**
These days of dust
**F**
Which we've known
**C G**
Will blow away with this new sun

**Am F C**
And I'll kneel down
**F C G**
Wait for now
**Am F C**
And I'll kneel down
**F C G**
Know my ground

**C Em Em'**
I will wait, I will wait for you!
**C Em Em'**
And I will wait, I will wait for you!

```

So break my step
      F
And relent
      C                    G
You forgave and I won't forget
                C
Know what we've seen
              F
And him with less
            C                 G
Now in some way, shake the excess

 C                             Em   Em'
Cause I will wait, I will wait for you!
 C                             Em   Em'
And I will wait, I will wait for you!
 C                             Em   Em'
And I will wait, I will wait for you!
 C                             Em   Em'
And I will wait, I will wait for you!

 C
Now I'll be bold
            F
As well as strong
        C                G
Use my head alongside my heart
           C
So take my flesh
           F
And fix my eyes
              C                  G
That tethered mind free from the lies

    Am     F     C
And I'll kneel down
  F   C   G
Wait for now
    Am     F     C
And I'll kneel down
  F  C   G
Know my ground

 C     G  Am      F   C    Em'  G

 C     G  Am      F   C    Em'
```

```
 C    G   Am
Raise my hands
 F         C      Em'   G
Paint my spirit gold
 C    G   Am
And bow my head
 F        C      Em'
Keep my heart slow

 C                              Em   Em'
Cause I will wait, I will wait for you!
 C                              Em   Em'
And I will wait, I will wait for you!
 C                              Em   Em'
And I will wait, I will wait for you!
 C                              Em   Em'
And I will wait, I will wait for you!

 C

Enjoy!
