Am F C

Come up to meet you, tell you I'm sorry

Am F

I had to find you

Tell you I need you

G

Tell you I set you apart

Am. F

Tell me your secrets

C

And ask me your questions

G. C

Oh, let's go back to the start

Am. F

Running in circles

C

Coming up tails

G

Heads on a science apart

F. C

Nobody said it was easy

G

It's such a shame for us to part

F. C

Nobody said it was easy

G

No one ever said it would be this hard

```
                          C
Oh, take me back to the start
Am.             F
I was just guessing
                    C
At numbers and figures
               G
Pulling the puzzles apart
Am.            F
Questions of science
                C
Science and progress
                    G
Do not speak as loud as my heart
Am.           F
Tell me you love me
               C
Come back and haunt me
                          C
Oh, and I rush to the start
Am.             F
Running in circles
              C
Chasing our tails
                  G
Coming back as we are
F.                      C
Nobody said it was easy
                  G
Oh, it's such a shame for us to part
F.                      C
Nobody said it was easy
              G
No one ever said it would be so hard
                       C
I'm going back to the start

Oh [x4](am,f,c,g)
